New!! DESCRIPTION of CLASS SESSIONS

Take a look at our new Class Sessions for next year. We have a downloadable chart that shows you the differences in our classes. We are very excited, as we have reformatted our 2-3 year old classes. We want to better meet the developmental needs of all our children. After much discussion with the teachers, we have decided to group children in classes according to age for the younger children. Starting this summer, we will be offering a transitional preschool class for the older Two's and young Three's (must be 2.7 years by Sept. 1st), as well as our Early Preschool Class for young Two's.

Ms. Penny, our Preschool Director, can help you make the best choice for your child. With our new class structure, children will be able to transition as their needs change.

FEES and SCHEDULE

As usual, fees have gone up slightly for next year. You will find our new fee schedule attached. The fee structure is now more balanced to reflect the classes children are enrolled in. New fees and sessions begin with our summer school program.

SUMMER SCHOOL

Summer school begins June 20 and ends July 30. We have reduced our summer school session to six (6) weeks, so that we can begin our fall session two weeks earlier. As you are choosing summer school, you will have a choice of a 3-hour program or a 4-hour program. Summer school fees are paid by check only.

FALL SCHEDULE and FEES

By reducing summer school to six weeks, we are able to sync with surrounding schools and begin school at the end of August. Teachers return August 22 for class set-up and students begin orientation week August 29. School fees reflect the additional two weeks in the yearly tuition. As always, tuition will be payable in 10 monthly installments or in full or half payments. (see Registration Forms)

We are excited about our coming school year and we look to hearing any feedback or suggestions you might have. We want to make this a successful school experience for your child.

Sincerely,

The Mandala Staff
